

Reversible Series – R0040

A general purpose tip with rugged construction, suitable for use with wider press wheels (40 to 50mm).

Features:

- 40mm wide Tip
- Tungsten Protection for longer life
- Reversible (Gold version). The tips are symmetrically designed so as the initial side is used and wears, they can be simply turned upside down and re-installed for extended use.
- Suits 16mm Shanks
- Grey version recommended for lighter type machine with Adaptor A0020
- The R1640XT tip is the same as the R0040 Gold but with 2 extra Tungsten Tiles for longer life.
